**Conditions:**

1. This may be used as a hand sanitising compound in all areas.
2. The compound must be supplied from a fixed, metered dispenser located a sufficient distance from the processing line to prevent product contamination.
3. Before the sanitiser is applied, hands must be clean. This includes washing the hands where necessary.
4. After use, the hands need not be rinsed but must be dry before the operator returns to the processing line.

This approval may be withdrawn at any time due to unapproved directions for use, or unsatisfactory performance, or any change in product formulation. The Branch Planning, Systems & Support Directorate must be notified if the holder of this approval wishes to transfer their products to another entity.

The product must be used in accordance with the manufacturer's instructions and specifications. The label may include a statement to the effect that the product is approved for use in premises registered under the Animal Products Act regime. Any statements made, however, must include the approval code and must be limited to the following unless otherwise specified:
